Could the children please bring in a couple of carrier bags next week as we will be sending finished work home.

Ms Melville will be returning next week on Thursday 28<sup>th</sup> and Friday 29<sup>th</sup> June. We will contact you next Thursday via email and by letter with the details of next years classes and associated details.

**Primary 4-5 News:** Primary 4&5 have been brushing up their 'time-telling' skills with Primary 4 revising digital times and Primary 5 working out time durations. It would be great over the holidays if the pupils could be encouraged to work on "time" and use every opportunity they can to practise.

**Speeches:** Primary 4,5&6 have been learning how to write a short speech about plastic in the environment. Having written their plans they have typed up their first draft and are putting the finishing touches to the speeches, checking they have all the features discussed including persuasive language. We are looking forward to the pupils delivering speeches in class next week. Our Primary 7 pupils have been working on their 'leaver's speech' and have enjoyed looking at past reports and old photographs to help jog their memories of primary school.

**Library:** A brilliant team effort by Primary 4-7 pupils saw the shelves of our non-fiction library cleared then reorganised using the dewey system. Groups were given piles of books to sort and order by number, then came the major task of putting the books back on the library shelves in an organised manner! It was never in doubt – all done within an hour. Great team work, communication and enthusiasm from everyone.
